International Historic Racing Organization

## Registration application 2026

I wish to add my name to the register of people who are allowed to enter in the races organized by IHRO (CMRCH/CRMB). Acceptance of the entry is not an automatic right and maybe refused without reason being given for the races organized by IHRO (CMRCH/CRMB). I understand that the acceptance onto the list of people who are able to enter race entries is dependant on valid data, suitable machinery which conforms to the technical reglementation 2025 and the payment of the yearly fee upfront.

**Please note** a valid E mail address is essential while all correspondence from IHRO CRMCH CRMB will be electronic.
