International Historic Racing Organisation

Registration Application 2018

I wish to add my name to the register of people to allow me full access to the new IHRO website and to download entry forms to allow me to compete in the IHRO (CMRCH-CRMB) organized races. I understand that the acceptance onto the list of people who are able to access the new website, download entry forms and participate in the organized races is not an automatic right, and maybe refuses without reason being given.

Please note a valid E mail address is essential while all correspondence from IHRO CMRCH CRMB will be electronic.
